# Backflow Assembly - Permanent Removal Form

If you have questions about the Utility's Cross Connection Control and Backflow Prevention Program, contact Aqua Backflow. Aqua Backflow was hired by your Utility to assist with operations. You may contact us at 847-742-2296 or info@aquabackflow.com.

Please complete and return this form, with photo evidence, to the mailing address, fax number, or email above within 30 days. This form must be signed by the water customer. It is recommended that you consult with and/or hire a licensed plumber or professional irrigation company. A representative from the Utility may, at their discretion, perform an on-site inspection after the form and supplemental photos have been submitted.

I, the Water Customer, hereby certify that, to the best of my knowledge, the information contained hereon is accurate and true. No cross connections or conditions that may potentially permit the backflow of contaminants and/or pollutants from the Water Customer’s piping system into the public water distribution system are present. Piping systems within the Water Customer’s premises shall conform in all respects to the latest revision of Administrative & Plumbing Codes, the AWWA Cross Connection Control and Backflow Prevention M-14 Manual, other state regulatory agencies, and the Cross Connection Control Regulations of the Water Utility. I have received information about the requirements to prevent backflow from occurring from the Water Customer’s piping systems and understand that I am responsible for illegal cross connections that may result from modifications to the Water Customer’s piping systems after the date of this completed form. I agree to indemnify and hold harmless the Utility and/or Aqua Backflow for any claims of property damage, personal injury, or death that may result from any illegal cross connection from my piping system to the public water distribution system. I understand that the Utility may, at their discretion, remove the water meter.
